

April 15th, 2011

To: Central Station Customs
Attn: Donald Phillips, Louis Chouinard

Dear Donald and Louis,

On behalf of IASCA Worldwide and its membership, I wish to congratulate you and Louis Chouinard on your achievements at the 2010 INAC Championships which took place at the 25th Annual Spring Break Nationals event in Daytona Beach, Florida on March 19th & 20th, 2011.

Louis' vehicle earned the highest sound quality score of all competitors in all Classes in SQC competition at the 25th Annual Spring Break Nationals. The quality of sound from the vehicle is a testament to the quality of installation and the amount of work put forth to properly tune the system and products used to perform at their peak ability.

Your commitment to competition excellence ranks you and Louis as true champions; IASCA Worldwide is proud to have Louis as one of its competitor members and Central Station Customs as one of its Retail Dealer Members. Yours and Louis' commitment also shows the value of IASCA competition; a testament to the value of IASCA for the industry.

As IASCA approaches its 25th year as the premier soundoff organization, we are happy to be part of your growth as champions and thank you for your continuing support.

Sincerely,

A handwritten signature in black ink, appearing to read "Moe Sabourin", with a long horizontal flourish extending to the right.

Moe Sabourin, Director of Worldwide Operations
IASCA Worldwide Inc.,
